

Common Market – Retail Hustler Job Description

The Common Market is a spin on the general store of the past - part deli, part provisions and plenty of beer and wine to make everyone happy! Our top priority is customer service and creating a gather space for the communities we serve. We aim to promote an “All are Welcome” space where each store uniquely adapts to the neighborhoods it serves.

The Retail Hustler is hard-working, punctual, and consistently provides high-quality customer service. Retail Hustlers wear many hats, but their top priority is to welcome guests with a positive attitude and guide them through the unique experience of Common Market. This is the baseline expectation for continued employment, and there is a clear path for those who consistently exceed this baseline for advancement within a growing company!
